Photo Requirements

Before you submit your application, make sure your passport-sized photo complies with the specification below. Non-compliant photos will lead to rejection of your application.

1. **Maximum photo size is 25kb to be uploaded in ESD Online**
2. Full face, front view, with eyes open and a neutral expression.
3. No head covering, except for religious reasons — the face must remain fully visible.
4. VTR Application: Plain white background, with no border or frame around the photo.
5. VDR Application: Plain white or plain blue background, with no border or frame around the photo.
6. Photo size of 35mm (width) × 50mm (height).
7. Head height of 30–35mm, measured from chin to crown.
8. Top margin of about 5mm and a chin margin of 5–10mm.
9. Image must be clear and sharp — not blurred, tilted, too far, or too small.
